Dear Gary and Donita Hardin,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at [www.psc.sc.gov](http://www.psc.sc.gov).

- Docket No. 2019-281-S - Application of Palmetto Utilities, Incorporated for Adjustment (Increase) of Rates and Charges, Terms and Conditions, for Sewer Service Provided to Customers in Its Richland and Kershaw County Service Areas

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

**Subject:** [External] Palmetto Utilities Rate Increase

This is a protest letter in regard to Palmetto Utilities Rate increase from \$52.10 to \$66.00 a month. This is way to high for one household to spread on flushing our toilets.

I am asking you to reconsider lowering the rates as they are way to high. We are getting ready to retire and as we do this our monthly money will be dropping by three fourth of what we bring home working.

Sincerely,  
Gary and Donita Hardin

To whom it concerns,

I am writing today to express the unfairness and concerns of Palmetto Utilities increase for all users. This increase should not be standard across the board and should be based on usage. I'm a single woman with a dog a family of 2 or more consumes more that I do and that should be taken in consideration.

To Whom it May Concern:

I would like to acknowledge that our sewer bill does not need to go up any higher. This is not typical. Sewer amount of \$66 from each resident is ridiculous. I would prefer more information regarding this situation. Please don't let the bill increase.

I can be contacted at
